WALSH COLLEGE

Saturday June 10, 2023
Troy, Michigan

At this 118th Commencement, the Walsh Board of Trustees, faculty, and staff proudly congratulate the individuals whose academic quest has earned them the distinction of a Walsh degree.

Today, they join thousands of Walsh alumni who each day apply the practical education they received at Walsh to the real world of business in southeast Michigan and beyond.

The College has prepared its graduates in this manner since Mervyn B. Walsh founded the Walsh Institute in 1922. A Walsh education has always been practical, yet personal – taught by faculty who know their students and genuinely take an interest in their progress.

Congratulations to the graduating class!

ACADEMIC REGALIA, TRADITIONS, AND HONORS

Academic Regalia and Traditions

Academic robes and hoods are the official and traditional attire symbolizing scholastic achievement. The history of academic dress dates back to the Middle Ages.

In the United States, academic caps and gowns have been worn by college graduates since colonial times. In the late 19th century, the Intercollegiate Commission brought order to the custom of wearing academic regalia. That custom is reflected in the academic attire worn at today's commencement ceremony.

Individuals holding a bachelor's degree wear unadorned black robes. Master's degree-holders wear black robes with hoods that are lined with colors indicative of the college or university from which the degree was received. The hoods are also trimmed with the color representative of the subject in which the graduate degree was earned.

The holder of a doctoral or higher degree wears a robe adorned with velvet. The hood also indicates the degree subject and the college colors.

The various colors trimming the hoods and the degree they represent are:

Arts, Letters, Humanities	White
Business, Accountancy, Management Communications	Drab
Dentistry	Crimson
Education, Counseling	Lilac
Engineering	Light Blue
Law	Orange
Library Science	Purple
Philosophy	Lemon
Science	Dark Blue
	Gold

The Walsh College official school colors are blue and white. Individuals wearing red, white, and blue cords have served in the U.S. Armed Forces.

The history of the academic mace dates back to ancient Rome. In today's commencement ceremony, the mace signifies order and authority in the academic procession. Leading the procession of graduates with the mace is a high honor bestowed upon a distinguished member of the institution.

The mace in today's ceremony is being carried by Professor Laura Frost.

Academic Honors

Students graduating from a bachelor's degree program who achieve high grade point averages (GPA) receive academic honors, which are noted on their transcripts and diplomas. In addition, these students are recognized at commencement with honor cords.

Undergraduate students who have achieved a cumulative grade point average of 3.500 or higher will receive the following honors designations:

Grade Point Average	Honors Designation	Color
3.900 - 4.000	Summa Cum Laude	Gold
3.750 - 3.899	Magna Cum Laude	Silver
3.500 - 3.749	Cum Laude	White

Delta Mu Delta

Delta Mu Delta is an international honor society in business administration that recognizes and encourages academic excellence. Founded in 1913 by a distinguished group of professors led by the Dean of Harvard University, Delta Mu Delta membership provides academic recognition for a lifetime.

In order to qualify, candidates must first achieve the required GPA (3.300 for bachelor's and 3.600 for master's), and then fall within the top 20 percent of the GPA in their class. Graduates who are members of this organization may wear purple and gold stoles, cords, or medallions.
