WALSH

Saturday, January 23, 2021
Troy, Michigan

At this 115th Commencement, the Walsh Board of Trustees, faculty, and staff proudly congratulate the individuals whose academic quest has earned them the distinction of a Walsh degree.

Today, they join thousands of Walsh alumni who each day apply the practical education they received at Walsh to the real world of business in southeast Michigan and beyond.

The College has prepared its graduates in this manner since Mervyn B. Walsh founded the Walsh Institute in 1922. A Walsh education has always been practical, yet personal – taught by faculty who know their students and genuinely take an interest in their progress.

Congratulations to the graduating class!

MESSAGE FROM THE PRESIDENT

Michael Levens
President and Chief
Executive Officer

To the 2020 Walsh graduating class – congratulations!

Your hard work and persistence have brought you to this day and I hope you feel proud of what you have accomplished. It is an honor to celebrate such a significant milestone in your life.

Reaching this point was not easy. You completed rigorous coursework and exams while managing work, personal commitments, and navigating a global pandemic in the final stretch of your program. You opened yourself to new ways of learning, gaining knowledge, skills, and an understanding of how to put them into practice. That commitment has set the stage not just for your career, but the rest of your life.

Whether you are entering the professional world or preparing to take a significant step in your career, have confidence in all you have to offer and remember that your education does not end today. It will evolve with every new challenge and experience you encounter. Your time at Walsh has prepared you to navigate those obstacles and even lead others through them with success.

As a Walsh graduate, you join a network of highly successful individuals. While your time as a student is ending, we hope your relationship with Walsh will continue for years. Nothing makes us more proud than the success of our alumni, and we know your stories will inspire us and future students. Remember where it all started, honor your alma mater's rich heritage, and help pave the way to bright futures for the students who will follow you.

Again, congratulations on your graduation. The entire Walsh community joins me in wishing you the best, wherever your path takes you next.

ACADEMIC REGALIA, TRADITIONS, AND HONORS

Academic Regalia and Traditions

Academic robes and hoods are the official and traditional attire symbolizing scholastic achievement. The history of academic dress dates back to the Middle Ages.

In the United States, academic caps and gowns have been worn by college graduates since colonial times. In the late 19th century, the Intercollegiate Commission brought order to the custom of wearing academic regalia. That custom is reflected in the academic attire worn at today's commencement ceremony.

Individuals holding a bachelor's degree wear unadorned black robes. Master's degree-holders wear black robes with hoods that are lined with colors indicative of the college or university from which the degree was received. The hoods are also trimmed with the color representative of the subject in which the graduate degree was earned.

The holder of a doctoral or higher degree wears a robe adorned with velvet. The hood also indicates the degree subject and the college colors.

The various colors trimming the hoods and the degree they represent are:

Arts, Letters, Humanities	White
Business, Accountancy, Management	Drab
Communications	Crimson
Dentistry	Lilac
Education, Counseling	Light Blue
Engineering	Orange
Law	Purple
Library Science	Lemon
Philosophy	Dark Blue
Science	Gold

The Walsh College official school colors are blue and white. Individuals wearing red, white, and blue cords have served in the U.S. Armed Forces.

Academic Honors

Students graduating from a bachelor's degree program who achieve high grade point averages (GPA) receive academic honors, which are noted on their transcripts and diplomas. In addition, these students are recognized at commencement with honor cords.

Undergraduate students who have achieved a cumulative grade point average of 3.500 or higher will receive the following honors designations:

Grade Point Average	Honors Designation	Cord Color
3.900 - 4.000	Summa Cum Laude	Gold
3.750 - 3.899	Magna Cum Laude	Silver
3.500 - 3.749	Cum Laude	White

Delta Mu Delta

Delta Mu Delta is an international honor society in business administration that recognizes and encourages academic excellence. Founded in 1913 by a distinguished group of professors led by the Dean of Harvard University, Delta Mu Delta membership provides academic recognition for a lifetime.

In order to qualify, candidates must first achieve the required GPA (3.300 for bachelor's and 3.600 for master's), and then fall within the top 20 percent of the GPA in their class. Graduates who are members of this organization may wear purple and gold stoles, cords, or medallions.

Veronika Scott

Founder and CEO
The Empowerment Plan

Veronika Scott is the founder and CEO of The Empowerment Plan. She was born to parents who struggled with unemployment, mental health issues, and addiction. To start The Empowerment Plan, she built an organization around a simple concept and product: to design a coat that transforms into a sleeping bag for the homeless. That idea evolved into a system of empowerment in which homeless parents are paid to learn how to produce the coat, giving them an opportunity to earn money, find a place to live, and gain back their independence. The Empowerment Plan's mission is to prove that homeless individuals have worth and are fully capable of learning and adapting to create a better future for themselves and their families.

Ms. Scott is the youngest recipient of the John F. Kennedy New Frontier Award from the JFK Library Foundation and Harvard University. She has also received an IDEA Gold Award from the Industrial Design Society of America, the People's Voice Award from Diane von Furstenberg, is one of Forbes 30 Under 30, and named one of CNN's 10 Visionary Women. The Empowerment Plan story has been told across the world and shared at events such as the World Summit on Innovation and Entrepreneurship and the Forbes 400 Philanthropy Summit.
