WALSH COLLEGE

Saturday June 22, 2024  
Troy, Michigan

At this 119<sup>th</sup> Commencement, the Walsh Board of Trustees, faculty, and staff proudly congratulate the individuals whose academic quest has earned them the distinction of a Walsh degree.

Today, they join thousands of Walsh alumni who each day apply the practical education they received at Walsh to the real world of business in southeast Michigan and beyond.

The College has prepared its graduates in this manner since Mervyn B. Walsh founded the Walsh Institute in 1922. A Walsh education has always been practical, yet personal – taught by faculty who know their students and genuinely take an interest in their progress.

Congratulations to the graduating class!

# ACADEMIC REGALIA, TRADITIONS, AND HONORS

## Academic Regalia and Traditions

Academic robes and hoods are the official and traditional attire symbolizing scholastic achievement. The history of academic dress dates back to the Middle Ages.

In the United States, academic caps and gowns have been worn by college graduates since colonial times. In the late 19<sup>th</sup> century, the Intercollegiate Commission brought order to the custom of wearing academic regalia. That custom is reflected in the academic attire worn at today's commencement ceremony.

Individuals holding a bachelor's degree wear unadorned black robes. Master's degree-holders wear black robes with hoods that are lined with colors indicative of the college or university from which the degree was received. The hoods are also trimmed with the color representative of the subject in which the graduate degree was earned.

The holder of a doctoral or higher degree wears a robe adorned with velvet. The hood also indicates the degree subject and the college colors.

The various colors trimming the hoods and the degree they represent are:

Arts, Letters, Humanities	White
Business, Accountancy, Management	Drab
Communications	Crimson
Dentistry	Lilac
Education, Counseling	Light Blue
Engineering	Orange
Law	Purple
Library Science	Lemon
Philosophy	Dark Blue
Science	Gold

The Walsh College official school colors are blue and white. Individuals wearing red, white, and blue cords have served in the U.S. Armed Forces.

The history of the academic mace dates back to ancient Rome. In today's commencement ceremony, the mace signifies order and authority in the academic procession.

Leading the procession of graduates with the mace is a high honor bestowed upon a distinguished member of the institution. The mace in today's ceremony is being carried by Professor [Laura Frost](#).

## Academic Honors

Students graduating from a bachelor's degree program who achieve high grade point averages (GPA) receive academic honors, which are noted on their transcripts and diplomas. In addition, these students are recognized at commencement with honor cords.

Undergraduate students who have achieved a cumulative grade point average of 3.500 or higher will receive the following honors designations:

Grade Point Average	Honors Designation	Color
3.900 - 4.000	Summa Cum Laude	Gold
3.750 - 3.899	Magna Cum Laude	Silver
3.500 - 3.749	Cum Laude	White

Graduate students who have achieved a cumulative grade point average of 3.750 or higher will receive the following honors designations:

Grade Point Average	Honors Designation	Color
3.900 - 4.000	With High Distinction	Gold
3.750 - 3.899	With Distinction	Silver

## Delta Mu Delta

Delta Mu Delta is an international honor society in business administration that recognizes and encourages academic excellence. Founded in 1913 by a distinguished group of professors led by the Dean of Harvard University, Delta Mu Delta membership provides academic recognition for a lifetime.

In order to qualify, candidates must first achieve the required GPA (3.300 for bachelor's and 3.600 for master's), and then fall within the top 20 percent of the GPA in their class. Graduates who are members of this organization may wear purple and gold stoles, cords, or medallions.

# KEYNOTE SPEAKER

**Paul Glantz**

Co-Founder and Chairman  
Emagine Entertainment, Inc.

Paul Glantz is the Co-Founder and Chairman of Emagine Entertainment, Inc., which operates 27 entertainment venues in Michigan, Indiana, Illinois, Wisconsin, and Minnesota.

An innovator in luxury entertainment, Emagine was the first in the world to convert the entirety of its screens to high-definition digital imagery and has built some of the nation's finest premium large format auditoriums known as Emagine's EMX screens. In the past year, Emagine Batavia opened, sporting the largest screen in the State of Illinois at 96 feet wide by 53 feet tall (the size of an NBA basketball court!).

Paul's career journey is truly unique, and largely rooted in his strong work ethic. After graduating from Wayne State University, he began his career as a commercial loan analyst with Comerica Bank in Detroit. Upon learning that he had passed the CPA exam at his first sitting, Paul joined the tax practice area of Ernst and Young. He then went on to work for Pulte Homes, Inc. as its Corporate Risk Manager and Assistant Treasurer, and then became the President of First Line Insurance Services, one of its wholly owned subsidiaries.

From 1990 through 2007 Paul served as Vice President of Finance and Administration for Proctor Financial, Inc., a leading provider of specialized insurance services to mortgage servicers nationwide. In that role, he drove initiatives that added over \$3 million per year in annual operating income, helping grow Proctor from a value of less than \$1 million to over \$50 million. Paul was subsequently entrusted with the privilege of leading Proctor as its President from 2007 until 2018.

While concurrently employed by Proctor, Paul raised over \$150 million in capital to expand his "avocation," and in working with his leadership team, grew Emagine from one screen with 265 seats into the ninth largest theater operator in North America. Paul is considered an expert in cinematic experience and has been quoted in leading publications such as the Film Journal International, The International Herald Tribune and The New York Times. Paul and his teammates' guiding principle is to treat every Emagine guest the way they would want to be treated, reflecting the dedication to excellence that has become the hallmark of an Emagine moviegoing experience.

During the Covid-19 pandemic, Emagine was forced to cease virtually all its operations. Paul and his executive team resolved that even though the company was suffering crippling losses, they would pay 100% of their teammates' health insurance premiums because, as Paul puts it, we "didn't want our furloughed colleagues to choose between buying groceries for their family or paying for their health insurance."

# KEYNOTE SPEAKER

Emagine has far outperformed its industry peers since the end of the pandemic and based on its acquisition of 4 additional locations in 2020, it served more guests, and produced 30% more EBITDA in 2023, than it did in 2019. Paul and his leadership team believe that Emagine's success is directly attributable to serving its guests and providing them with an exemplary out-of-home entertainment experience.

Paul holds a Bachelor of Science degree in Business Administration with High Distinction from Wayne State University and a Master of Science degree in Taxation from Walsh College. He has been recognized by both his alma maters, Walsh College, and Wayne State, with the Distinguished Alumnus Award, and by Wayne State's Irvin D. Reid Honors College with the first ever "Pillar Award."

Paul's board service, community contributions and engagement are extensive. Paul is an active and engaged member of the community. He currently serves on the Board of Directors of the Detroit Regional Chamber of Commerce as well as on the Board of Directors for MICPA. Most recently, Paul was elected to the Executive Board of the National Association of Theater Owners. Paul previously served as a member of both the Wayne State University Business School Board of Visitors and its Foundation Board. He has served as Treasurer of the Detroit Chapter of Variety International, where he earned the 2007 Presidential Citation Award by the Detroit Chapter of Variety International, The Children's Charity, in recognition of his community contributions and service.

In 2014, he was recognized by the nonprofit, Winning Futures, as its Businessman of the Year in honor of its founder, Sam Cupp. In the same year, Paul was honored by the Salvation Army and received their "Doing the Most Good Award." In 2011, Paul was named the Ernst & Young Entrepreneur of the Year for Michigan and Northwest Ohio.

Paul has been and continues to be a strong supporter of Walsh College. Paul recently served as a "celebrity" judge at our Business Professionals Association event on Walsh College's campus and keynoted the 2024 Global Student Entrepreneur Award event for EO-Detroit.

Paul and his wife Mary reside in Lake Angelus, Michigan, and are the proud parents of Jack and Jim, and grandparents of Peter and Lucy.
