

Dear 2026 Walsh College Graduates,

Congratulations once again on your graduation!

Your official commencement photos will be available for viewing and purchase through GradImages at www.gradimages.com. Please note that it may take up to **two**

weeks following the ceremony for all photos to be processed and posted online.

When your photos are available, simply visit the website and search using your name and graduation information to view your images.

We hope these photos help you celebrate and remember this special milestone for years to come.

Congratulations again on your outstanding achievement, and we wish you continued success in all your future endeavors!

Warm regards,
