WELCOME TO WALSH COLLEGE'S

121st
**COMMENCEMENT
CEREMONY**

Saturday, June 20, 2026
Troy, Michigan

At this 121st Commencement, the Walsh Board of Trustees, faculty, and staff proudly congratulate the individuals whose academic quest has earned them the distinction of a Walsh degree.

Today, they join thousands of Walsh alumni who each day apply the practical education they received at Walsh to the real world of business in southeast Michigan and beyond.

The College has prepared its graduates in this manner since Mervyn B. Walsh founded the Walsh Institute in 1922. A Walsh education has always been practical, yet personal - taught by faculty who know their students and genuinely take an interest in their progress.

MESSAGE FROM THE PRESIDENT

**Suzanne (Suzy) Siegle,
J.D., Ed.D**

President and Chief
Executive Officer

Congratulations Walsh College Class of 2026!

You've crossed the finish line and earned your degree!

Your hard work, passion, and perseverance have brought you to this day and you can be so proud of your accomplishments.

At Walsh College, our mission is fully realized when our graduates are living it in the world. And our world needs YOU, your unique gifts, experiences, and perspectives to change and impact it for the better.

It is such an honor to celebrate this significant milestone with you, and we are so grateful you chose Walsh College for your education.

With your Walsh College degree in hand, you can confidently move ahead knowing you are well prepared to face challenges, solve problems, and innovate new solutions that will make a profound and positive impact, not only in today's world but in tomorrow's.

And, as a Walsh College graduate, you are part of a strong and successful network of dedicated professionals, especially those who, like you, are Walsh College alumni!

While your time as a student may be ending, your journey with Walsh College is just beginning. We hope you will stay connected through our Walsh College Alumni Association, return to campus for career and networking events, and continue investing in your growth through our professional development and continuing education opportunities. We would be honored to remain part of your journey as you build your future and make your mark on the world.

Congratulations!

Suzanne (Suzy) Siegle, J.D., Ed.D.

ACADEMIC REGALIA, TRADITIONS, AND HONORS

ACADEMIC REGALIA AND TRADITIONS

Academic robes and hoods are the official and traditional attire symbolizing scholastic achievement. The history of academic dress dates back to the Middle Ages.

In the United States, academic caps and gowns have been worn by college graduates since colonial times. In the late 19th century, the Intercollegiate Commission brought order to the custom of wearing academic regalia. That custom is reflected in the academic attire worn at today's commencement ceremony.

Individuals holding a bachelor's degree wear unadorned black robes. Master's degree-holders wear black robes with hoods that are lined with colors indicative of the college or university from which the degree was received. The hoods are also trimmed with the color representative of the subject in which the graduate degree was earned.

The holder of a doctoral or higher degree wears a robe adorned with velvet. The hood also indicates the degree subject and the college colors.

The various colors trimming the hoods and the degree they represent are:

Arts, Letters, Humanities - *White*
Business, Accountancy, Management - *Drab*
Communications - *Crimson*
Dentistry - *Lilac*
Education, Counseling - *Light Blue*
Engineering - *Orange*
Law - *Purple*
Library Science - *Lemon*
Philosophy - *Dark Blue*
Science - *Gold*

The Walsh College official school colors are blue and white. Individuals wearing red, white, and blue cords have served in the U.S. Armed Forces.

The history of the academic mace dates back to ancient Rome. In today's commencement ceremony, the mace signifies order and authority in the academic procession.

Leading the procession of graduates with the mace is a high honor bestowed upon a distinguished member of the institution. The mace in today's ceremony is being carried by Greg Shulte.

ACADEMIC HONORS

Students graduating from a bachelor's degree program who achieve high grade point averages (GPA), receive academic honors, which are noted on their transcripts and diplomas. In addition, these students are recognized at commencement with honor cords.

Undergraduate students who have achieved a cumulative gpa of 3.500 or higher will receive the following honors designations:

GPA	HONORS DESIGNATION	COLOR
3.900-4.000	Summa Cum Laude	Gold
3.750-3.899	Magna Cum Laude	Silver
3.500-3.749	Cum Laude	White

Graduate students who have achieved a cumulative gpa of 3.750 or higher will receive the following honors designations:

GPA	HONORS DESIGNATION	COLOR
3.900-4.000	With High Distinction	Gold
3.750-3.899	With Distinction	Silver

DELTA MU DELTA

Delta Mu Delta is an international honor society in business administration that recognizes and encourages academic excellence. Founded in 1913 by a distinguished group of professors led by the Dean of Harvard University, Delta Mu Delta membership provides academic recognition for a lifetime.

In order to qualify, candidates must first achieve the required GPA (3.300 for bachelor's and 3.600 for master's), and then fall within the top 20 percent of the GPA in their class. Graduates who are members of this organization may wear purple and gold stoles, cords, or medallions.

Lori Compeau

Bachelor of Business
Administration

Master of Business
Administration

Lori Compeau is a lifelong Michigan resident who currently calls New Haven home. She earned both her Bachelor of Business Administration and Master of Business Administration from Walsh College with a concentration in Organizational Resilience. During her time at Walsh, she was inducted into Delta Mu Delta, an international honor society recognizing high achievement in business. Lori balanced her academic success with a demanding career at Fairway Home Mortgage, where over the past eight years she has grown from a junior underwriter to a senior underwriter—earning a reputation for her attention to detail, strong work ethic, and commitment to doing things the right way.

Outside of work and school, Lori's world centers around her family. She shares her life with her husband, Mark, and is a proud mom to Olivia, Steven, and Mariah. She's also Yaya to her "gremlins"—Shaun, Nolan, and Hazel—who keep things fun and full of laughter. At home, she also has 3 dogs/office mates, Mellie, Smokie, and Bonnie, who keep things interesting, especially during skunk season.

Now that she has completed her MBA, Lori is looking forward to having more time to enjoy the things she loves—baking, trying out new recipes, and spending quality time with the people who matter most. She's especially excited for the simple joys ahead, like hopping in the car, turning the music up as loud as it will go, rolling the windows down, and driving with no particular destination in mind.
